**SEEDLING AVAILABILITY**

Shortages in planting stock can occur after order processing begins, so please submit your order as soon as possible. Orders are filled on a first-come, first-served basis until supplies are depleted. If you intend on picking up your seedlings directly from the nursery, you must first call and schedule an appointment.

**ORDERING INSTRUCTIONS**

When ordering seedlings, payment must be included with your order form. Checks and money orders must be made out to **KENTUCKY STATE TREASURER**. Checks or money orders made out to other payees cannot be accepted. Send tree seedling orders to the district office that serves the county where the trees will be sent. Seedling prices include shipping charges and Kentucky state sales tax.

Tree orders cancelled at any time by the Division of Forestry will have total payments refunded. Orders cancelled by the purchaser before January 31 will have all payments refunded. No refunds will be permitted after January 31.

**TECHNICAL ASSISTANCE**

Landowners may receive free planning assistance for tree planting projects from the Division of Forestry by contacting the district office serving their county (see left).

All seedlings are inspected prior to shipment. No adjustments or replacements will be made for losses or damage unless reported when seedlings are delivered. Please contact your district office if problems occur with the delivery of your order.
